

Hillsboro Baptist Church presents:

Barbie & Ken's Spiritual Journey

Episode 3

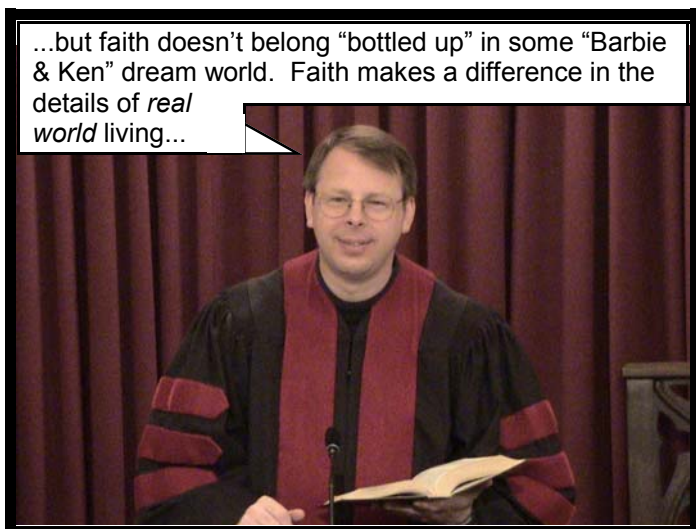

After a great time at the Fellowship Café, Barbie and Ken go to the worship service.

So, what do you think of Hillsboro so far, Ken?

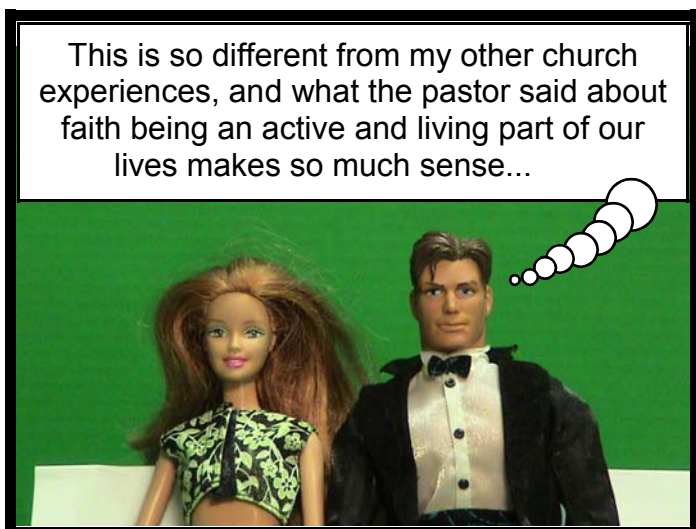

It's terrific, but I'll bet the sermon puts me to sleep.

...but faith doesn't belong "bottled up" in some "Barbie & Ken" dream world. Faith makes a difference in the details of *real world* living...

What a great message! I feel like he's speaking directly to my life.

This is so different from my other church experiences, and what the pastor said about faith being an active and living part of our lives makes so much sense...

Ken, what are you doing !?!

What is Ken doing? Will he embarrass Barbie? Is he going to heckle the pastor? And what about those rumors of Ken's terrible secret?
