First Love @ Hillsboro Sundays @ 9:00 a.m.

Worship that is Contemporary, Informal, Genuine, Joyful, Different

Worship Options @ Hillsboro

“First Love” — Our younger adults, youth, and children as well as many median and older adults prefer this energetic, informal, multi-media service in our fellowship hall. We begin with fellowship over coffee, juice, and pastry between 8:30 a.m. and 9:00 a.m. Then, worship starts at 9:00. There is no “learning curve” to worry about.

Traditional Worship — Most of our older adults, and some of our median adults, prefer this quieter, slower moving service which features traditional hymns, a choir, and a predictable and structured order of worship. Starting at 11:00 a.m., this style of worship is not much different from what many grew up with in the 1950s and 60s, so those folks find this to be a very familiar setting.

Come all dressed up, or come in blue jeans. Either one is fine. We’re not interested in your clothes. We’re interested in you!

All of our worship services are planned with a focus on the truth of God’s word, the needs of people, and the joy of sharing faith together. For more information “risk free,” call the church office at 823-1505 or visit our website — www.hbcnet.org.
