

When people invite you to church, do you wonder if they are from another planet?

You don't need to feel like an alien when you walk into church. Hillsboro's congregation is warm, welcoming and friendly, without being, well... weird.

Our mission: to boldly go into the presence of God, exploring a deeper, fuller life in Christ and reaching our community with love.

Reasons to stop by for *First Love* at Hillsboro:

- Positive atmosphere.
- An exiting new Enterprise.
- Yoda reason we're here.
- Our theology is better than our advertising.
