Bible Study
Classes Begin
10:15 a.m.

Traditional
Worship
11:00 a.m.

Youth
Meeting
5:00 p.m.

Contemporary Worship:
A light and informal taste, with a medley of various forms of media, but still featuring a bold presence of God's word. This vintage is bubbly and unpredictable, while still deeply sacred.

Traditional Worship:
With the rich flavor of stained glass and traditional hymns, this vintage contains the same characteristic presence of God's word to create a more quiet and meditative taste.
